

Called to Excellence: Stewarding Your Pharmacy Career Through Professional Involvement

Erin Ballentine, PharmD, MBA, MS, BCPS
Inpatient Operations Manager, the Johns Hopkins Hospital

Serving Christ and the World Through Pharmacy

1

Disclosures

I have no financial interests to disclose.

Given the topic, I am disclosing that I currently serve on the APhA Board of Trustees, the Phi Lambda Sigma Board of Directors, and CPFI Board of Directors.

Serving Christ and the World Through Pharmacy

2

Learning Objectives

- Evaluate the professional and personal value of involvement in pharmacy organizations.
- Compare and select appropriate opportunities for engagement at local, state, and national levels.
- Apply principles of stewardship and excellence to professional involvement decisions.
- Create a personalized plan for meaningful involvement in a professional organization.

Serving Christ and the World Through Pharmacy

3

Active Learning Question #1

A pharmacist working in a busy community setting feels they have no time for professional organization involvement. Which of the following represents the most compelling professional justification for becoming involved?

- It looks good on a CV
- It provides networking that may lead to future job opportunities
- It is expected by employers
- It helps fulfill CE requirements

Serving Christ and the World Through Pharmacy

4

Active Learning Question #2

A PGY1 resident interested in ambulatory care, advocacy, and leadership wants to get involved but feels overwhelmed. Which of the following is the best initial step?

- Run for a national board position
- Join multiple organizations and attend all meetings
- Select one aligned organization and join a committee
- Wait until residency is completed

Serving Christ and the World Through Pharmacy

5

Active Learning Question #3

A pharmacist is actively involved in an organization but notices they are attending meetings without contributing meaningfully due to time constraints and fatigue. Based on principles of stewardship and excellence, what is the best next step?

- Continue attending to maintain visibility
- Step back temporarily or adjust involvement to a role where they can contribute effectively
- Take on a larger role to become more engaged
- Leave the organization entirely

Serving Christ and the World Through Pharmacy

6

Active Learning Question #4

Which of the following is the most effective first step in creating a personal involvement plan?

- Join as many organizations as possible
- Identify one organization aligned with your goals and define a specific next step
- Wait until you have more free time
- Focus only on national organizations

Serving Christ and the World Through Pharmacy

7

What questions do you have?

As it relates to professional pharmacy organization involvement

Serving Christ and the World Through Pharmacy

8

Questions to Answer Today

- Why does involvement matters?
- What types of involvement exist?
- What are the barriers?
- How do I get started?
- What opportunities exist in CPFI?

37

Discuss

What types of organizations are you currently involved in? Are there any "gaps" that could be covered?

Where do you currently fall on the spectrum of involvement? How might you consider taking the next step?

Serving Christ and the World Through Pharmacy

38

Overcoming Barriers

Resource commitment, networking, "maintaining" engagement

Serving Christ and the World Through Pharmacy

39

Resource Commitment

- Time
 - Start small – Showing up and asking questions goes a long ways!
 - Set boundaries – What can be accomplished during the workday?
- Money
 - Students – Ask your School of Pharmacy or look for scholarship opportunities!
 - Pharmacists – Ask your employer!
 - Consider the investment you are making

Serving Christ and the World Through Pharmacy

40

Networking Fears

- Does not have to be scary!
- Start small, focus on meeting one person at each event
- Connect on LinkedIn
- Relationships snowball

Serving Christ and the World Through Pharmacy

41

Discuss

What are your personal barriers in organizational involvement? How might you overcome those barriers?

What are other barriers to consider?

47

48

Called to Excellence

- What does excellence look like in pharmacy?
 - Contributing to better patient outcomes through research, CEs, and other educational resources
 - Advocating for greater opportunities for pharmacists
 - Developing yourself personally and professionally to the benefit of others
- Outcome: Better patient care + God is glorified

Serving Christ and the World Through Pharmacy

49

Called to be Stewards

- The Parable of the Talents – Matthew 25:14-30

"Well done, good and faithful servant. You have been faithful over a little; I will set you over much."
- Each of us are given specific gifts – 1 Peter 4:10-11

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace."
- Each of us are given specific opportunities – Esther 4:14

"And who knows whether you have not come to the kingdom for such a time as this?"

Serving Christ and the World Through Pharmacy

50

Called to be Stewards

- What does stewardship look like in regards to organization involvement?
 - Leveraging your God-entrusted resources – time and money
 - Using your skills, talents, and experiences
 - Developing the next generation through mentoring or as an advisor
- Outcome: Better patient care + God is glorified
