NDMU: Rachael Oshokoya, PharmD Cand 2023, Sandrine Mbaku, PharmD Cand 2023, Rasheedat Momoh, PharmD Cand 2023, Kendra McKee, PharmD Cand 2023, Ntemgwa Achafack, PharmD Cand 2023, Aloysius Okon, Rachel Aku-Garba, PharmD Cand 2024, PharmD Cand 2025, Nneoma Okzie, PharmD Cand 2025, Heather Foltz, PharmD, BCAP

BACKGROUND

Who We Are

We are a group of students located in the Baltimore area with a vision of serving and spreading the gospel through bible studies, praise nights, and outreach events.

Hygiene Products Donation

CPFI chapters of Notre Dame of Maryland (NDMU) and University of Maryland School of Pharmacy (UMSOP) partnered with Helping Up Mission (HUM), an organization that supports men and women fighting addiction, homelessness, or poverty in the greater Baltimore area. We utilized the grant to provide high demand, everyday resources to the participants of the Seeds of Hope class. The products were donated just days before Christmas with a mission of spreading the joy and love of Christ.

OBJECTIVES

- Provide necessary toiletries and undergarments to the Seeds of Hope class
- Provide spiritual and emotional support by sharing a written note including a Bible verse
- Raise up the broken members of the local community to be transformed and set free by the love of Christ, in accordance with 2 Corinthians 3:17: "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom."

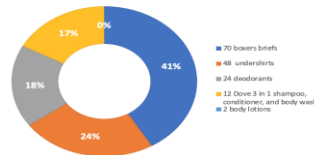

METHODS

Purchases

- 70 boxers briefs
- 48 undershirts
- 24 deodorants
- 12 Dove 3 in 1 shampoo, conditioner, and body wash
- 2 body lotions

MONEY OUT

Handmade Cards

- Several handmade cards were completed and distributed to the members of the Seeds Class
- Cards consisted of a word of encouragement and accompanying Bible verses, along with colorful winter and Christmas based themes

RESULTS

On December 20th, 2021, student leaders from UMSOP and NDMU visited HUM to deliver the hygiene products and messages of encouragement. We were able to promote CPFI's vision of serving others through pharmacy and Christ, and share a supportive word to the participants of the Seeds of Hope class HUM.

CONCLUSION

- This project enabled us to not only meet the participants' practical needs, but also to plant a seed of faith in them.
- We aim that our project inspires others to volunteer their services to a Christian program and lend prayers and support to local communities in need.
