

UIW FEIK SCHOOL OF PHARMACY "BUNDLES OF HOPE"

OBJECTIVE:

- To support women affected by family violence in San Antonio by distributing 30 "Bundles of Hope" with hygiene items, self-care products, and messages of hope and prayer.

BACKGROUND:

- The Battered Women's and Children's Shelter in San Antonio works to break the cycle of family violence by providing emergency shelter, transitional housing, education, and support services that promote self-sufficiency.
- Our chapter focused on supporting women in the local community by creating 30 "Bundles of Hope."

Acknowledgements: We are grateful to the National Christian Pharmacists Fellowship International for awarding us the Hands and Feet Grant, and to the Feik School of Pharmacy students and faculty for their generous support and involvement this season.

METHODS:

- Each bag included essential feminine hygiene and self-care items, along with a handwritten message of encouragement.
- Items included: tampons, pads, facemasks, scrunchies, and a motivational keychain.

RESULTS:

- Provided 30 "Bundles of Hope" filled with care items and encouragement to women in our community.

CONCLUSIONS:

- Thanks the Hands and Feet Grant, UIW-FSOP was able to create care bags for the shelter, sharing faith, hope, and encouragement with those in need.
