

CPFI Mid-Year Treasurer's Report  
Board of Directors  
Southeastern Christian Church  
Louisville, KY  
November 6, 2014

Due to the recent relocation of our office to the CMDA offices in Bristol, TN., there was not enough time to prepare the 2015 proposed budget for the Louisville meeting. The proposed budget will be distributed via email to the board. Upon allowing time for board input and comments, President Fred will call for a vote to approve the 2015 budget.

Nena Lindrose, Administrative Director, has met with Alicia, CPA to review the September financial reports which will be used to develop the 2015 budget. She will be reclassifying related moving expenses into a 'relocation expense' account to better understand the cost of our move to CMDA.

Our Annual Meeting held at Springmaid Beach, Myrtle Beach, SC netted \$16,187.76

Nena, Jeff Copeland, and I have meet in conference calls during the course of the year. We primarily discuss fund raising and other revenue enhancement ideas. Most recently we have teamed up with Sue Hussar, Vice-President and membership chair to begin phoning members who have not renewed their membership.

Tax and corporate filings have been done, as required, in Florida and Tennessee.

Respectfully Submitted,

*Gregory C. Carlson*, Treasurer
