A. Active Memberships

As of May 1st, 2015, CPFI has 455 paid professional members and 520 paid student members for a total of 975 active members. The attached tables chart the membership trends from May 2011 through May 2015. I am very thankful to Ron Herman for his work in pulling together all the membership tables and charts.

B. Membership Initiatives During the Past Six Months

- Letters or e-mails were sent to pharmacists who attended the CPFI Prayer Breakfast at the annual Virginia Pharmacists Association Meeting in Virginia Beach.
- Following the Global Missions Health Conference in Louisville, Kentucky in November, e-mails or letters were sent out to those pharmacists and pharmacy students who stopped by our booth or attended the pharmacy break-out session, providing information on CPFI with an invitation to join or renew their membership.
- Contacted by e-mail individuals who stopped by the CPFI exhibit table at the Purdue Pharmacy Days in December 2014.
- Contacted by e-mail individuals who attended our CPFI APhA Prayer Breakfast in March in San Diego encouraging them to join CPFI or renew their membership.

Thank you for allowing me to serve as your Vice-President and Membership Chairman. I know whoever takes over this position will be blessed as I have been serving with wonderful Godly men and women. Thank you also for your love, prayers, and concern for our family as Dan is facing difficult health challenges. We have felt God's loving and protective hand on our family.

Blessings,

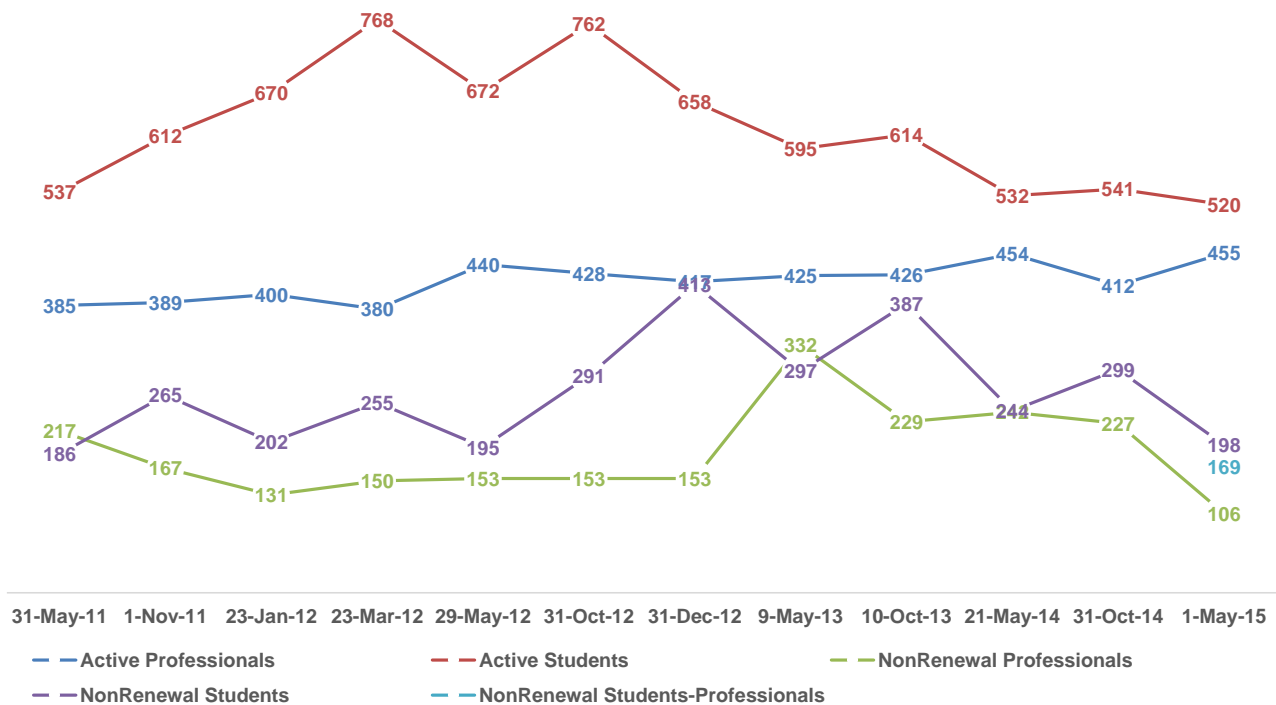

Suzanne Hussar
