

To: CPFI Board of Directors,

For the 2016-2017 publication cycle, a fall issue with the theme, “Missions in Motion” was a huge success and most recently, the spring issue “Taking the Road Less Traveled” should arrive in your mailbox soon.

I wanted to share an email that I received from our members in regard to the journal:

“Ok...you can count me among those who just read your “letter from the Editor” in the recent issue of the CPFI Journal! Great message and timely for me! Your article got me thinking how much I’ve complained this fall to family and friends and sorry to say even colleagues about how busy I am with work load. This reminded me of the importance of Gratitude in ALL circumstances. There’s so much I’m thankful for that we take for granted.”

Please encourage those whom you know with great pharmacy with faith stories to share them with us to bless the membership. I feel honored to be able to serve the membership in this capacity.

Sincerely,

A handwritten signature in black ink that reads 'Mary J. Ferrill'. The signature is written in a cursive style with a small dot above the 'i' in 'Ferrill'.
