

To: CPFI Board of Directors,

For the 2017-2018 publication cycle, the spring issue with the theme, *Practicing Pharmacy Through a Christ-Centered Lens* was a huge success. The theme of the spring issue was graciously provided by Board Member Joy Greene. The 2018 fall issue *The Fields are Ripe for the Harvest: 'I tell you, open your eyes and look at the Fields! They are ripe for the harvest.'* *John 4:35* is at the printer and should arrive in your mailboxes soon. The theme of the fall issue was graciously provided by Administrative Director Nena Lindrose.

Thank you to all who have submitted articles to allow the journal to continue to bless the membership. Please encourage those whom you know with great pharmacy with faith stories to share them with us to bless the membership. I feel honored to be able to serve the membership in this capacity.

Sincerely,

A handwritten signature in cursive script that reads 'Mary J. Ferrill'.
