

Christian Pharmacists Fellowship International
National Student Council (NSC)

May 17, 2019

Dear CPFI Board of Directors,

I am very excited to announce that we have a record high of student registration (65 students) for the annual meeting this summer in Myrtle Beach, SC! Our NSC Student Retreat Coordinator Miranda Miles (MUSC) has worked diligently this past year to plan the upcoming student retreat for student members.

We continue to publish electronic newsletters prepared by the NSC Publicist (Jordan Navalle, Presbyterian College) that get distributed to student members by e-mail. Student chapters have reported use of RightNow media to lead devotions and bible studies at meetings across many campuses. The primary social media platforms being utilized at this time to promote student involvement are our Facebook student group page and an Instagram account.

It has been my honor to serve on the National Student Council over the past two years. Thank you all for your continued support of student chapters and activities. It is a great encouragement to have Christian pharmacists serve as examples and leaders in pharmacy. May we all continue to put Christ first and remember Him daily in everything that we do.

I look forward to a great fellowship with everyone this summer in Myrtle Beach.

For His glory,
