**Student Chapter Advisory Committee (SCAC) Report**

November 9, 2021

Dear CPFI Board of Directors:

We pray this message finds you well in the midst of the unprecedented times we have been navigating through the past two years. In brief, our report includes follow up on old business, updates in the leadership of our committee and the National Student Council (NSC), ongoing activities, and our future goals for the SCAC.

Old Business: Student Scholarship

BACKGROUND: Pakou headed the Student Scholarship Task Force (members: Jeff Copeland, Jeff Bates, Dan Spadaro, and Susie Kim) in 2019-2020 following the 2021 Board Meeting. At the time, Dan Spadaro stepped down from office as Chairperson of the Student Scholarship Committee. The goal of the task force was to update the purpose of the Student Scholarship and submit a proposal to be reviewed by the Board

- The proposal included a revision of the standing Student Scholarship Policy and Guidelines, and a new Application Form and Expense Form
- All documents were submitted to administration and the Board for review in Spring 2020 to be discussed at the June 2020 annual meeting
- No further update has been received from the board on the status of the Student Scholarship

FOLLOW-UP QUESTIONS / POINTS TO BE ADDRESSED:

- Will there be further discussion on the Student Scholarship for a final decision to be made on the proposal and voted on?
- Will the Student Scholarship be dissolved altogether and funds be reallocated for another purpose?
