

To: CPFI Board of Directors,

For the Volume 25 publication cycle, the title of the Spring 2022 issue was, **The Wise and Foolish Builders:** *“Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock” Matthew 7:24.* The title of the Fall 2022 issue is: **The Narrow Path:** *“But small is the gate and narrow the road that leads to life, and only a few find it.” Matthew 7:14.*

Thank you to all those who responded to the eblast call for manuscripts for the Fall. We were blessed to receive more articles than we needed to fill the issue. Those papers will be considered for the Spring issue. We could use some more pharmacy with faith stories for the Spring issue, so please get the word out! Another eblast will be sent to the membership after the BOD meeting requesting articles.

I would also like to request some photos. I’m always looking for ideas for the journal cover. Landscapes that are portrait orientation and at least 3 MB resolution work best. Maybe you went somewhere on vacation or have some beautiful scenery near you. If so, would you please share them?

I would again like to personally thank Jennifer Sands for her exceptional editing skills and creative cover designs. *C & P* continues to be a much-improved publication due to her efforts.

Thank you to all who have submitted articles to allow the journal to continue to bless the membership. Please encourage those whom you know with great pharmacy with faith stories to share them with us. I feel honored to be able to serve the membership in this capacity.

Sincerely,
