The Vice President’s responsibilities include chairing our Membership committee. Our current membership committee members are Erin Ballentine, Stephen Canady, Greg Carlson, Adrianna Cody, Emily Laswell, Angie Pegram, J Michael Ross, Jeff Bates, President, and Nena Lindrose, Administrative Director.

Since our last meeting our CPFI social media followers on Facebook and Instagram have increased by 32 and 45 subsequently, and Joy continues to post encouraging and relevant CPFI posts regularly. In the last 30 days, our Facebook platform has had 1,000 views and our Instagram platform has had 3,000 views. Joy hopes to join our meeting to discuss these platforms further.

	11/2024	11/2025	5/2026	Views in last 30 days
Facebook followers	42	510	542	1,000
Instagram followers	121	252	297	3,000

President Jeff recently brought to my attention that what he believes is our most concerning issue we face as an organization is the drop off of student’s membership as they become professionals. That has been an ongoing issue, so I thought ahead of our BOD meeting I would present it to our membership committee to glean some possible root causes and solutions from each to aid us in that discussion time.

Note: One more pharmacist since the March meeting and 23 more students. Post-COVID members decreased, but since 2024 they are on an upward trend.

I look forward to and am praying over our time together in Lake Junaluska!

*"I will lift up my eyes to the hills from whence comes my help?
My help comes from the Lord, who made heaven and earth." Psalm 121:1&2*

Rejoicing in the Lord always,
