"Hola! I have been here since Jan 12 - got on the Internet finally just 3 weeks ago. I have two Bible studies on the format of discipleship with three young men in the 20s, and a morning prayer meeting with the young man for whom I provide housing (he comes from a very poor family with a scholarship to the University of Caracas [in Venezuela]). He is a 21 year old, Honduran, almost as thin as I, but over 6 feet tall. He is a brilliant young man who is headed for a medical degree in eight years (the length of time to acquire that degree here). Initially, he could speak about 35% English, and I speak even less than that degree here). Initially, he could speak Spanish behind me. “The power of understanding are still very slow. I tell him I can only speak about 35% English, and I speak even less than that degree here). Initially, he could speak Spanish behind me. “The power of understanding are still very slow. I tell him I can only speak about 35% English, and I speak even less than that degree here).

I look forward very much to returning to the US in the next 20 years. I tell him I’m going to retire when I am 96! May the Grace, Mercy and Peace of our Lord Jesus Christ be with you.

LETTER TO THE EDITOR

I must say that the wording of the letter to Eckerd drug as suggested by Children of God for Life and listed in Vol 20 Issue 5 of Faith Script was a bit inappropriate. As Christians, we are to follow Christ’s example. Would Christ threaten litigation? Would Christ threaten to boycott a company? Doubtful. Romans 12:14 tells us to bless those who persecute us, and verses 17-19 say do not repay evil for evil for evil is not the Lord’s. I see two ways when you fall into trials... when, not if, we fall into trials. Christians are going to have trials no matter what will we respond? Will we allow the flesh or the Spirit to rule?

Circle of Friends

I was listening to my local Christian radio station one morning when the station manager asked: “What would you do if this station was no longer on the air?” The station does not allow advertisements and operates solely on donations from listeners. I thought for a moment and then realized how much I enjoyed being a part of the radio station. I joined their Circle of Friends and I now make a monthly donation to the station. CPFI has lost their corporate sponsorship of the journal and newsletter, in the amount of $18,000 per year. If you enjoy receiving our publications, would you consider joining our “Circle of Friends”? Whether you want to make a one-time donation or a monthly commitment, all contributions to CPFI are tax deductible. We thank you for your continued support of CPFI. (See Circle of Friends box on this page.)
