CPFI Serving Christ and the World Through Pharmacy

Volume 29
Issue 2
February
2012

“But God, being rich in mercy, because of His great love with which He loved us, even when we were dead in our transgressions, made us alive together with Christ (by grace you have been saved),”
Ephesians 2:4-5

Greetings CPFI members & friends!

The Month of February has come to be known as ‘Heart Month’. Traditionally, February 14th is a day couples exchange cards, gifts, or have a special dinner or date. For children in school it is a day to exchange cards with their classmates. Certainly you remember when your parents bought sets of valentine cards for you to address and exchange with your classmates!

As I pass through the front of the drug store on my way to the pharmacy, I would have to be blind to miss the mass marketing of Valentine’s Day. The store isles are stocked with chocolates, cards and all kinds of ‘stuff’. At the hospital where I work, there are ‘heart month’ activities that focus on a healthy heart lifestyle and various heart health awareness programs. Some hospital staff members even dress in red.

While it is fun to celebrate our relationships with family and friends on Valentine’s Day, I consider the importance of celebrating another special relationship. That thought brings to mind the greatest love of all, the relationship we have with the Father. Jesus tells us in John 3:16, “For God so loved the world, that He gave His only begotten Son, that whoever believes in Him shall not perish, but have everlasting life.”

The relationship that we have with Him is unsurpassed! Let us meditate daily on our greatest love relationship ever! Amen!
